Dear Members of the Board,

I am writing to formally express my intent to be considered for appointment to fill the current vacant position on the hospital board for the remainder of this year's term.

I want to begin by noting that I was previously unaware that the board was accepting letters the opportunity of intent for this vacancy. It was while I was putting my name on the ballot when I learned of this opportunity. I have already placed my name on the ballot for the upcoming election and I am running unopposed. As such, I will be joining the board in January. However, I would greatly value to begin serving now and contribute immediately.

My decision to run for this position has always been rooted in a genuine desire to serve our community and be a responsible voice for taxpayers/patients. My intentions are not driven by personal gain or any form of familial retribution, but rather by a commitment to improving transparency, accountability, and a willingness to listen, learn, and collaborate. I am committed to offering the best insight and guidance I can, while keeping the interests of the community at the forefront of every decision.

Additionally, I believe my upcoming full term uniquely positions me to provide continuity and long-term value to the board. Appointing me now would allow for a smoother transition into the next term and ensure consistency in leadership and decision-making over the coming years.

Thank you for your time and consideration. I would be honored to serve in this capacity and contribute to the important work of the board.

Sincerely-

Courtney Fortune-Olson
